Message from the President

On behalf of the Dermatological Society of Malaysia, I would like to extend a warm invitation to you to participate in our 43rd Annual Dermatology Conference which will be held at The Wembley, Penang, on 27-30th September 2018.

The theme of this year’s conference is “Global Trends in Dermatology”. Dermatology is an ever-evolving field and it is essential for us to stay abreast with the latest developments in Dermatology. The scientific programme is designed to bring to you the current concepts and therapeutic advances which we hope will ultimately translate into improved patient care.

The conference will culminate in a concurrent post-conference workshop on Basic Dermatologic Surgery, Cosmetic Dermatology and Dermatologic Nursing.

I look forward to welcoming you in Penang.

Sincerely,

Dr Agnes Heng
President

Executive & Organising Committee
