WELCOME MESSAGE

Dear friends and colleagues,

Selamat Datang!

On behalf of the Organising Committee, we would like to welcome you to 'Melaka Bandar Bersejarah' for our 47th Persatuan Dermatologi Malaysia Annual Dermatological Conference. It would certainly be a pleasure to meet all of you at Holiday Inn Melaka after nearly two and a half-year of virtual meetings.

The theme this year is "Dermatology in a Nutshell", focusing on Hansen's disease, STI/HIV Medicine, Paediatric Dermatology and Cosmetic Dermatology. Even as we are on the transition to endemic phase of COVID-19, one of the symposia will be on SARS-CoV-2 virus with its cutaneous manifestation, the COVID-19 vaccine and the use of Biologics in the era of COVID-19.

We are privileged to have an excellent line-up of speakers not only in Dermatology but also in the field of Infectious Disease and Urology, both locally and internationally. Our plenary speakers are Professor Mark Koh (Singapore) and Dr Tang Jyh Jong (Malaysia). Professor Datuk Adeeba Kamarulzaman (Malaysia), Dr George Lee (Malaysia) and Dr Pubalan Muniandy (Malaysia) will grace the session on STI/HIV Medicine. Our invited guest speaker for the session on Cosmetic Dermatology is Professor Woraphong Manuskiatti from Thailand.

There is also plenty of opportunities to explore the trade booths of the biomedical industry exhibitors will keep us up-to-date with new drugs and new technologies to manage our patients holistically.

I would like to express my gratitude to the Organising Committee, the Executive Committee members and our secretariat for their hard work and commitment to ensure that we have a successful conference. 'Syabas!'

Lastly, my sincere thanks to our faculty of esteemed speakers, biomedical industry sponsors and to all who make this meeting possible.

I am sure we will have a memorable meeting for this year and hope to see all of you in Melaka!
